20:51:05 From Josephine and Matthew Pearl : Hi Bill

20:52:08 From Katrina Breen : Once she had her career established, I daresay her so very hard work must have in a sense been not all "work" to her, i.e. not out of necessity to put food on the table or any negative driven "duty" but because she was living the live she loved :)

20:52:40 From Katrina Breen : "Possibility" must be so much a construct of society....

20:52:58 From Josephine and Matthew Pearl : Isolation is The Dream Killer

20:53:05 From Ann Ramsey : Scanners unite!

20:56:00 From Patty Newbold : I want you to be Barbara, too, Kimberly!! If you live in the Boulder area, definitely sign up for one of Kimberly's teams! And in NYC, Andrea's teams. They are both incredible Success Teams leaders.

20:56:16 From Olivier Dierickx - Belgium : Lovely share Kimberly! There's some Barbara within you! ??

20:56:41 From Christina : Even though I have never met Barbara in person, I have loved her books and starting using them to create small groups groups in my work as a pastor in NYC back in the early 1990's. Now with the isolation of sheltering in place, especially as a single person, I keep reflecting on Barbara's often repeated statement, "Isolation is the dream killer." How do we work against the current isolation that is so common for many now?

20:56:45 From Nancee : Do you have a link for someone in LA?

20:56:47 From Bill Connington : Barbara was a true Humanist

20:56:56 From Andrea and Alice and maybe some cats : GREAT NAME for your bz, Kimberly!!!

20:56:57 From Yvonne Brunot : GREAT NAME, Kimberly!!

20:56:59 From Lisa Rothstein : Yes Barbara made it ok to have a lot of interests, unlike some of our parents who criticized us for it

20:57:18 From Lisa Rothstein : Great title

20:57:21 From Patty Newbold : <http://shersuccessteams.com/findateam.htm> to find a team in other cities

21:03:03 From Wen Dombrowski : Hugs to you Fatima. It's okay feel what you feel
21:03:10 From Patty Newbold : People know so many things, things we would never imagine asking them about, because we cannot imagine what they know given how they look and what they do for a living. At every Idea Party!

21:03:25 From Andrea and Alice and maybe some cats : Yes, Patty!
21:03:36 From PhyllisWalker_MacAir : Fatima, you are so Precious! Barbara is still here with us. Both Barbara and the group will guide you!
21:03:53 From Bill Connington : Thanks for sharing, Fatima. Hanging Out -

very first Masters Class. She allowed me to use her techniques in my classroom of soon to be massage therapists. Using her ways to open the minds of my students to looking at how they could achieve their dreams was life changing for not only me but for 100s of my students. They came to my class dreading it, it was a business class, and left invigorated and excited for their future. The first class we always did the wish/obstacle exercise. Even with a class of 25-40 students there were connections that made my students dreams come true. Everytime I did the "Good Gossip Game" I would end up crying with happiness for students who were beyond moved. I then went to an retreat in France, and met my future husband...which is a miracle because I was happy being single and thought I would be single forever. My husband, Dave was a friend of Matthew and Barbaras, and was helping out at the retreat. . That was in 2010, we got married in 2012...She was a dream weaver.

21:08:33 From Josiane Roulez : Fatima, thank you so much. I send you lots of love.

21:08:36 From Andrea and Alice and maybe some cats : How wonderful, Jill! I loved reading this!

21:08:51 From Bill Connington : Thanks, Jenni, for sharing your story.

21:09:12 From Pat_Edwards : This community is Barbara's legacy. The love and support is her greatest gift still moving through us all

21:09:47 From Olivier Dierickx - Belgium : Make backups!

21:10:33 From Olivier Dierickx - Belgium : Exactly Pat!

21:10:45 From Carli Fink : I never had the chance to meet Barbara, but deeply wish I had participated in one of her programs now. I was introduced when a career counsellor at my university recommended that I read "I Could Do Anything" in 2013. I am a proud scanner, deeply appreciated the book, and the began to follow Barbara's work. This year, I was hired to be a career counsellor at the same university and recommend the book often to my students.

21:10:57 From Bill Connington : Great to see everyone here.

21:11:20 From Delana : I recommend Barbara's books to anyone who will listen to me. :)

21:11:22 From Carli Fink : I am so inspired by this community and Barbara's legacy. I hope to become a participant in the future and get to know many of you.

21:11:51 From Patty Newbold : Carli, join us online. We captured Barbara's unique voice in recordings and text in all of her barbarasclub.com programs.

21:12:16 From Udee : is there a fb group ...where we can stay connected?

21:12:21 From Katrina Breen : A question: I used to direct people to Barbara's Boards (which of course no longer exist). So now, in directing her to her club, is the wishes and obstacles section just for members? Should I tell them to keep an eye on it around Sept or Oct?

21:12:28 From Franis An8el : Yes, let's all be the ingredients for a foundation movement - sort of how Marshall Rosenthal with his Non-Violent Communication in the field of negotiation survived his death and thrived...

21:12:42 From Lisa Mancelyn Lowe : Fatima....you are so important....I am

so glad you came and shared and I know it is so hard. Sending you love.

21:12:57 From Karen HeaChung Lyu : YES, Patty!!! <3

21:13:56 From donna : Refuse To Choose Chapter 7- "Action. The very thought freezes many of us in our tracks." Lmao. I wrote it on a sticky for my wall... I loved her sense of humour. She was the grandmother I never had.

21:14:04 From Andrea and Alice and maybe some cats : Fatima, we're going to order your book!

21:14:42 From Olivier Dierickx - Belgium : Patty is sooo... amazing! As you Matt

21:14:44 From Josiane Roulez : Is anyone doing Zoom Success Teams? I need one and there's none in Montreal! <3

21:16:19 From Lisa Rothstein : Matt please give us a way to contact you or should we go through Patty?

21:16:50 From peter hornhardt : My Barbara story, began around 1990's when I went bankrupt in business and had to re imagine my life..her wisdom and online support have been priceless. I have been teaching international students and unemployed youth for the last 20 years and the work of Barbara has helped dozens of them to change their lives and start a new life in Australia.. ..like others will say.. Barbara changed my life...and has empowered me to see the world...I will be

forever grateful..love to you all from Melbourne,Australia.

21:16:53 From peter hornhardt :

21:17:00 From Franis An8el : Katrina asked: I used to direct people to Barbara's Boards (which of course no longer exist). So now, in directing her to her club, is the wishes and obstacles section just for members? Should I tell them to keep an eye on it around Sept or Oct?

21:28:52 From Emma Zhao : Sorry I gotta go early but thank you guys so much. There is so much love here. I'm in the fb scanner group. I never met Barbara or talked to her in person, but she changed my entire mindset and her writing encouraged me to pursue my dreams. I was taught all my childhood that I was never trying hard enough. When I felt broken for being unable to focus on one thing, her work showed me it was just who I am! I hope to be able to join writespeak one day. Thank you all again so much, and thank you Barbara!!

21:29:30 From Patty Newbold : Bill, after I set up the teleworkshops for her, she scheduled a follow-up retreat. Told people it would probably be in Savannah, GA, then moved it to NJ, so I joined her and helped folks (including Robin) set up their blogs at it.

21:29:56 From Bill Connington : Oh, that's great, Patty.

21:29:57 From Yvonne Brunot : I went to Turkey for the first time last year, and I thought about her as I was leaving for Istanbul.

21:32:56 From Katrina Breen : I first came across one of her books in May 2002 in the local library (although years later the library got rid of all her books)... it was "It's only too late"... I was only 30 then but that didn't matter.... I read all her books after that.... and joined the board when I discovered it a few years later....

21:33:00 From Lisa Rothstein : Matt, Patty – I am planning to host a telesummit for multi talented people in the next year and was trying to think of a good nonprofit to donate a portion of profits to – I would love to make Barbara's foundation the beneficiary

21:46:23 From Franis An8el : yes. I have now reframed "procrastination" as a mixture of "resistance" and being a sort of "productive procrastinator"

21:56:10 From Kate : Thank you all, feeling tearful.
Barbara Sher is the mother or wise woman I would wish for everyone to have in their lives.
Love and hugs.

21:56:23 From Henrietta Wolf : Once many years ago, one of the Hanging out with Barbara assignments was to begin to write a novel, knowing you were never going to finish it. That gave me so much freedom to write. Since then, I've done something called Writer's Bootcamp 3x/year for many years. You write 1000 words a day for 10 days. So, it just occurred to me that Barbara's assignment opened me up to writing. I thought I didn't have a Success story, but I love writing and I'm so glad to have discovered it.

21:56:47 From Ann Ramsey : Wow Henrietta

21:56:49 From Patty Newbold : Carly, we are hoping to make the recordings available soon.

21:57:41 From Fatima Viola : thank you

21:57:51 From Fatima Viola : I joined the meetup group

21:57:58 From Katrina Breen : There's a big myth about learning musical instruments, people thinking they can't do it for one reason or another.

21:58:17 From Lisa Mancelyn Lowe : I must leave the zoom session now. Barbara taught and inspired me so many times, I can't choose what story or stories to tell. However, if anyone would like a PDF called "52 Ways to Promote the Teachings and Wisdom of Barbara Sher" that I kept thinking wasn't quite good enough to share, I will send it to you, in honor of Barbara, and now labeled "The Good Enough PDF of 52 Ways to Promote the Teachings and Wisdom of Barbara Sher," send Lisa Mancelyn an email request to lisamlowe99ster@gmail.com

22:04:03 From Katrina Breen : A lot of us fans of Barbara must be "different" in various ways....
22:04:12 From Franis An8el : The best musicians are those people who practice the most - I'm sure you know that by now. Thanks for telling us your story.
22:04:19 From Bill Connington : Thank you for being so honest, Karen

22:05:39 From Marie Valencia de Vasconcelos : Karen H...your awesome! I congratulate you!

22:05:46 From Bill Connington : Wonderful!

22:05:50 From Katrina Breen : When I discovered "it's only too late" (and then not long afterwards, bought "Live the Life you love", it taught me to let go of the idea of achievement, in the sense of the fallacy of thinking when I finally get my act together I'll do great things.

22:08:56 From jenni : My husband sends a positive message (from a different person everyday) - to his children and to me. Today, without any interference from me, he has quoted Barbara. Of all of Barbara's quotes, he picked this one: "you must go after your wish. As soon as you start to pursue a dream, your life wakes up and everything has meaning". It was meant to be today.
22:08:57 From Lisa Rothstein : @Karen thank you for having the guts to go for your dreams as a young woman despite your parents' wishes and not wait like I did !! The world has had more of your gift
22:09:09 From Patty Newbold : <https://karenlyu.com/>
